

100 Years of Progress

Bells Ring Out To Herald Start Of Centennial Year

On the stroke of midnight, December 31, bells and carillons across the land pealed out in salute to the dawn of Centennial Year -- the most important year in Canada's history. Its contribution to the development of a new Canadianism will endure for centuries.

Nineteen sixty-seven, the 100th anniversary of Confederation, will be a year which will foster new pride in Canada. A year to reflect on what has happened--good and bad--in the past 100 years with a view to making things better for the next 100 years.

It will be a year in which every Canadian from every part of this vast country will join with every other Canadian in tribute to the Fathers of Confederation who by their wisdom, faith and determination brought about the political union that produced this country of Canada.

VAST CHANGES

From a small rural population scattered across thousands of miles, and whose economic base was formed of agriculture, trapping and fishing, Canada has grown to a population of 20,000,000 in the past century. It is one of the greatest industrial producers in the world and enjoys the second highest standard of living on earth.

Canada has surpassed the concepts laid down by the Fathers of Confederation 100 years ago.. Their faith in the future has been justified and has been done without bloodshed, revolution, massive upheaval, without exploitation of other lands, without serious division and without self-glorification.

Nineteen sixty-seven will be a year of celebration. Visitors to any part of Canada from sea to sea will find some manifestation of the Centennial. Beautiful and lasting memorials will be dedicated in every province; hundreds of recreational and holiday facilities will be in use; extraordinary programs for the encouragement of the performing and visual arts; and special nation-wide programs--all specially devised to mark Centennial Year.

MOBILE PROGRAMS

In addition to local Centennial projects there are major mobile programs which will travel from coast to coast and into northern Canada.

These include a 15 car train telling the story of Canada's development from earliest man to the present, with exhibits employing such new methods that they must be seen to be believed. In addition are the Centennial Caravans, which will carry a similar story to the Train to people in every province who are distant from the railway.

Start of the Centennial Year was observed in Drayton Valley with an inter-denominational service in All Saints Church on New Year's Eve. Members of the congregations of three churches took part in the service. Rev. Martin of the United Church, Father Lynch of St. Anthony's and Rev. Ingram of All Saints, shown left to right in the above photo, were the participating clergy.

BY MRS. EDITH DEBY

For some time Mr. Albert Hodgson has had a knee that went out of joint at the slightest provocation. During the holidays a complication arose making an operation necessary. This was performed successfully at the University Hospital last Thursday. It will be some time before Mr. Hodgson will be back driving his bus. Mr. Maurice McCullough is substituting for him.

Mr. and Mrs. Harvey Ottman and family spent the weekend with Mr. Ottman's mother, Mrs. Edith Dunnington.

Miss Peggy Bills, daughter of Mr. and Mrs. Dan Bills, was home for both Christmas and New Years.

Mr. R.N. Barager of Saskatoon, and his daughter, Miss Emma Barager, of Edmonton, were guests of Mr. and Mrs. William Beckett last weekend.

Mr. and Mrs. Clelland spent the holidays with Mrs. Clelland's parents, Mr. and Mrs. Fred Haggerty Sr. The Clellands live at Fox Creek.

Mr. C.H. Vig is working at Prince Rupert. If his new job proves satisfactory Mrs. Vig and the children will join him before long.

Mr. and Mrs. Andrew Johnson write that they are enjoying life in Vernon, B.C. The Johnsons don't seem to be missing us nearly as much as we miss them.

The Pot Luck Supper held in the Dunington Farm Union Hall last Wednesday evening was

very well attended. After supper the Dunington Ladies' Group was hostess at a whist party. Winners were: Ladies High, Mrs. Brennan; Ladies Low, Mrs. Lief Stordalsvoll; Gentlemen's High, Mr. Paul Klan; Gentlemen's Low, Mr. Elton Matheson.

Funeral services for the late George Arnold Wallace were held in the Elks' Community Hall in Drayton Valley on December 26th. Mr. Wallace was born in Renfrew County, Ontario. As a young man he moved west to Foam Lake, Saskatchewan, where he farmed for several years. He filed on his homestead at Pembina (south west of Violet Grove) in January, 1931. During the war Mr. Wallace worked as a flight engineer for the American government. Following Mr. Wallace's retirement he made his home at McQueen Lodge.

Fire Victim Still Critical

Mr. Russell (Rusty) Morgan who was severely burned in a fire in Drayton Valley on Sunday, December 18th is reported still on the critical list in an Edmonton hospital.

He suffered burns to about 40% of his body when an oil stove he was attempting to light apparently exploded.

Fire Destroys Home Of New Year's Baby

New Year Baby at the Drayton Valley Municipal Hospital was born to Mrs. Alex Pacholko of Breton at 11 minutes after 2:00 a.m. January 1st. The Pacholko's new son weighed 7 pounds, 7 ounces.

Unfortunate circumstances were the lot of the family just prior to the happy event on January 1st.

During the first week of

December the family, who live eight miles west of Breton lost their farm home and all their possessions in an early morning fire.

Mrs. Pacholko was hospitalized at the time of the fire and Mr. Pacholko was unable to save anything from the home other than a few clothes. He attempted to put out the fire that started in the ceiling at 2:30 a.m. but was unable to stop the fire or remove any more of the family's possessions.

The Pacholko's have one other son who celebrated his sixth birthday on Christmas Eve.

Festival Canada, the biggest show this country has ever seen, will enable Canadians in every province to enjoy performances by the best talent in Canada in every field of the performing arts.

The Centennial Youth Travel Program will reach its peak in 1967 when thousands of school children will travel to points in Canada far distant from their homes to learn at first hand the size of their country and the interests of their fellow Canadians.

Huge bonfires were lighted on January 1st and carillons across the country rang out to

commemorate the start of the Centennial Year. It will be repeated on July 1st, another significant day in 1967.

Proclamation

CANADIAN LUTHERAN CENTENNIAL AFFIRMATION

WE, the people of Canada who profess the Christian Faith according to Lutheran Confessions,

ACKNOWLEDGING the uncounted blessings which Almighty God has showered on this Dominion of Canada in the past one hundred years,

ESPECIALLY the blessing of peace, prosperity, good government, and freedom to believe and worship as God's Word and conscience direct,

AND REMEMBERING also that four hundred and fifty years ago He moved His servant Martin Luther to begin the restoration of the pure Gospel as revealed in the Holy Scriptures,

WHICH GOSPEL He graciously allows us to proclaim unhindered in and beyond Canada,

HEREBY solemnly affirm and say as follows:

Firstly, we thank and praise Him for all His grace and undeserved blessings, especially for those aforesaid;

Secondly, we confess to Him our sins, especially our past unthankfulness, unfaithfulness, and selfishness;

Thirdly, we will, with His help, be more mindful of our duty as citizens of Canada, that we may maintain our own freedom and the freedom of our country, that there may grow in Canada that righteousness which exalteth a nation;

Fourthly, moved by His love to us, we will in gratitude show brotherly kindness to all men, and will especially endeavour to help and relieve the needy and oppressed;

Finally, the Holy Spirit being our Counsellor, we will show an even greater concern to bring the blessed Gospel of salvation to those who do not know our Lord Jesus Christ or who have forsaken Him.

NOW TO GOD the FATHER ✕ GOD the SON ✕ and GOD the HOLY GHOST ✕ three Persons and one God, we ascribe, as He would have us do, all glory, majesty, dominion, and blessing, now and forever. AMEN.

Attend Convention

The congregation of Jehovah's Witnesses from Drayton Valley was well represented at the semi-annual convention held over the weekend at the Sales Pavilion Annex.

Mr. Tom Moss, the presiding minister for Jehovah's Witnesses at Drayton Valley, worked in the check room which is no small task with over 1,100 persons in attendance.

Those attending were pleased to hear that the congregations in this circuit, 14 in all, had good increases in their preaching activity.

A special film entitled "Heritage" was shown to the 830 persons in attendance Friday evening. This film illustrated the problems facing youth of today and how proper parental guidance and Bible counsel can give youth peace of mind and confidence.

A Nation's Birthday

Everyone shares a desire to see 1967 an event-filled year; a year in which communities large and small, various clubs and organizations and individual citizens all participate in the nation's birthday party, the Centennial of Confederation.

The list of plans and projects is growing longer by the day.

But let us not lose sight of the reason for the rejoicing. Canada is a nation of which we can all be proud. This nation has a proud past, an increasingly bright present and a dazzling future. We tend to take such an appraisal in the material sense, for this is a country of material wealth. Canada's greatest wealth, however, is its people and their ability to work together in peace, in justice and in a society in which there remains freedom for the differences between individuals and groups to be expressed, for varied customs to be retained.

It is Canada's performance in this respect rather than its material development, by which other nations and peoples -- and indeed, history -- will judge us.

Centennial year, 1967, should be a good sharp reminder to us all not to take those things for granted.

Light Up For '67

Most of our homes are still gay with the lights put out every year for the festive season. Before you turn yours off or take them down for the year, why not consider their use to help celebrate Canada's 100th birthday.

The community could be very attractive and help get everyone in the party spirit if we altered the Christmas designs to Centennial motifs -- or if we even left them in strings around the front of homes. By next Christmas the Centennial year will be drawing to a close and with a few changes again you'll be ready for the next winter holiday.

Centennial Report

1867-1967

by JOHN W. FISHER
CENTENNIAL COMMISSIONER

Canada's teachers have the opportunity in 1967 to help make a visit to the Confederation Train or Caravan exhibitions a memorable and valuable experience.

The Train, starting January 9 at Victoria on a cross-Canada tour of 63 cities, and the Confederation Caravans, visiting more than 700 communities are, in effect, travelling teaching aids. The story of Canada from primeval times will unfold before the eyes of children as they experience, by sight and sound, an adventure through history. Life-size models, sound effects, lighting, artifacts and photography will enable children to live through great events since the pre-ice-age era.

Standing on the timbered deck of a Viking ship at sea or peering through the slit of a sandbagged trench in no-man's land amid the din of battle—such experiences produce a more lasting impression than would a film or television program.

Visitors to the exhibits will be in a three dimensional world which will affect all their senses. As a good stage presentation usually creates a more lasting impression than does the two dimensional cinema or television screen, so will the Confederation exhibits influence youngsters.

The exhibits also are likely to develop a curiosity among children, and adults too, about the historical background of our country. A journalist, commenting on a pre-tour visit to the exhibits, told us that they "make you want to head for the library to check the why's and when's" of certain developments in Canadian history.

What, for example, were the underlying reasons for the Riel rebellion in 1885? Were English laws enforced in Canada up to 1931 when the Statute of Westminster was passed? Were the west coast Indians descendants of early immigrants from Asia? Questions like those are prompted by a visit to the Train or Caravans.

A Quebec writer visiting the Train also said, "It's like another world to me—I've discovered so much about the history of the West I simply didn't know anything about."

The Train or Caravan exhibits do not constitute a complete history of Canada. In fact there are many gaps. But they do provide a broad impression. Teachers can ensure that a visit is a valuable experience by helping beforehand to fill in some gaps both in the exhibits story and in children's knowledge of history.

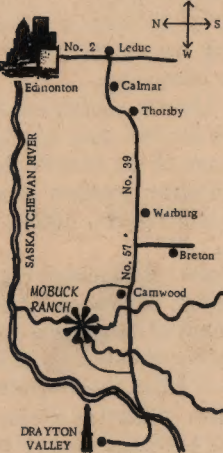

A guide to classroom discussions is to reach the desks of teachers, well before the Train and Caravans arrive in communities, in the form of an attractive Centennial Commission color folder. It indicates how the story of Canada is told by the exhibits. Classroom discussion based on the folder can help children grasp the significance of what they will see and hear on their visits.

The Centennial Commission has a great appreciation for the contribution teachers can make to the Train and Caravan projects.

Mrs. Bea Cropley,

It will be a few days late but I would like to extend best wishes for a Merry Christmas and a Happy New Year to everyone.

As a result of a car-truck collision Darrel Haight will spend a few months in an Edmonton hospital. We wish him a speedy recovery.

On Thursday evening the Cropley house entertained a lively group of teenagers. Arnie and Allan Bryant from Winfield, Annemarie Ziegelman from Breton, Eddie, Allan and Sandra Summers of Drayton Valley as well as teenagers from this district were all entertained by Dayna. There was plenty of food and games,

presents were exchanged and everyone seemed to have a good time.

The Sunday School Concert was held in the church on the evening of the seventeenth. The children did very well in their drills, acoustics and singing. The junior girls class did so well in giving the Christmas story on the flannel board that they were asked to repeat it a few days later at the Lindale school.

Edythe Wideman was home for the Christmas holidays. She is attending University in Edmonton.

EVANSBURG

Mrs. M. Bruner, Correspondent

Happy New Year everyone and let us hope this Centennial year is even better than the year just past.

Speaking of the past, I think everyone of the adult generation who attended the High School Christmas banquet and concert were taken back into bygone days when they saw the decorated gym. The grade twelve students were said to be responsible for the decorations and they certainly went all out to transport us into the

past. The theme used was "An Old Fashioned Christmas" and I for one could very easily imagine myself back in the little one-room schoolhouse.

Much credit can be given the young people for their hard work. The concert after the supper consisted of a contribution from every room as well as from some of the staff.

A jolly time was enjoyed by 4-H members from Entwistle, Evansburg and Wildwood at their Christmas party, too. Another 4-H activity which took place recently was the tagging of calves for the beef club members.

Many young people were home around the village for

holidays and of course many travelled away also.

Christmas visitors I am sure of are the Ron Wolff family of Fort McMurray, visiting at the home of Otto Wolff. The Mazepa home also received visitors from Grande Prairie.

Gone for an extended holiday in Europe are Mr. and Mrs. Locker.

Forgot to mention last week that we have a new hair dresser in town. "Opal's Beauty Salon" closed in early December and the same spot has been taken over under new management.

We see Mrs. Greaves back again after spending the holidays with her son in Red Deer.

Pitch a tent in chiffon, crepe or drapery wool. NOT for camping but for dancing. Freely swinging from the shoulders with not a hint of body shaping, then dropping to a rippling bias hem. Anyone can wear it, no matter what shape you're "really" in. Truly a "Quickie" to sew, and as a bonus there are no fitting problems here. Sew brilliant in jade chiffon or dainty in pale apple crepe. Touch a little glitter to throat or hemline.

Sewing chiffon need not be difficult. Cut out on a flat, non-shiny surface with very sharp shears. Make narrow French seams and bias bindings instead of facings. Omit interfacing. To avoid puckering, stitch over tissue paper, which can be ripped away afterwards. Tie thread ends instead of backstitching.

Where there's a shirt, there's a tie . . . long and skinny, fat and dotted, flowered or pais-

leyed. Wear with shirts sporting long pointed button-down collars and wide, wide cuffs, in spring prints or luminous neon stripes, in voiles and hopsack, silks and perma-press blends.

THE RULE OF THREE. Fabric costs \$10? Then with careful style choice and good dressmaking, you can create a dress worth \$30. One-third of a garment's value lies in the fabric; one-third in the style and fashion-rightness for you; one-third in the workmanship. Sewing makes dollars and sense!

Zipper zoom in 'fly-front' style on pants, slashing diagonally across ski-jackets and boldly bared on raincoats. Zippers are a status symbol in Paris where really good skirts have two short zippers instead of the usual long one. Paris puts zippers in unusual places: off centre if there are no centre seams.

ATTENTION OWNERS AND OPERATORS OF MOBILE EQUIPMENT

Effective January 1, 1967, all mobile equipment coming within the definitions quoted below is again subject to licensing, if such equipment is operated anywhere within the Province except in Cities or National Parks.

INSPECTORS ARE CONSTANTLY IN THE FIELD CHECKING ALL SUCH MOBILE EQUIPMENT. PRACTICE OF ISSUING WARNING TICKETS WILL BE DISCONTINUED AND ANY VIOLATION OF THE ACT WILL BE CONCLUDED IN COURT PROCEEDINGS. PROVISION IS MADE FOR THE IMPOSITION OF A FINE AND POSSIBLE IMPOUNDMENT OF EQUIPMENT WHERE A VIOLATION OF THE ACT OCCURS.

The following definitions are taken from the Mobile Equipment Licensing Act:

(d) "MOBILE EQUIPMENT"

(I) means machinery or equipment capable of being moved to its place of use under its own power or by being towed, pulled or carried and not intended to be affixed to land, and

(II) includes equipment used for the purposes of seismic exploration and, without restricting the generality of the foregoing, includes

(a) seismographic recording equipment and all appurtenances thereto,

(b) conductor cables and cable reels, geophones, amplifiers and cameras,

(c) explosive and detonating equipment

(d) drilling units and all the component parts and appurtenances thereof, and

(e) water tanks and pumping equipment, but (III) does not include

(a) vehicles licensed under The Vehicles and Highway Traffic Act, or The Public Service Vehicles Act, exclusive of mounted equipment on such vehicles, and

(b) equipment, other than vehicle mounted equipment, used to drill a gas or oil well;

(c) "municipality" means a town, village, municipal district, county, improvement district, special area, metis improvement district or forest reserve.

(d) "owner" includes a person renting mobile equipment or having the exclusive use thereof under a rental agreement or otherwise;

NOTE: Mobile equipment having an original list price of less than \$2,000 does not require a license under this Act.

A copy of the Mobile Equipment Licensing Act may be obtained upon payment of ten cents from the Office of the Queen's Printer, 10255 - 104 Street, Edmonton, Alberta.

Address all inquiries regarding MOBILE EQUIPMENT LICENSES to Supervisor of Mobile Equipment Licensing, Department of Municipal Affairs, 10363 - 108 Street, Edmonton, Alberta. U.C.W. Elects Officers For New Season

The Drayton Valley U.C.W. held their Christmas meeting on December 5th in the church basement.

After a short worship service upstairs the business followed. Members decided to send \$25 to St. Stephen's College in Edmonton. The Monday night Cubs assisted us with our kits

for Vietnam, which we very much appreciated. Everyone has been asked to save old stamps to be used for missionary work. They may be left in the box at the church. Used clothing was sent to Moose Mountain Indian Mission.

The 1967 executive is: President, Carol Hoyland; Vice-President, Crystal Primrose; Treasurer, Jean Ward; Secretary, Jean Campbell.

Our unit leaders are: Muriel MacLure; Arlene Hay; Shirley Nelson; and Margaret McLean.

The next general meeting will be held on Tuesday, January 10th at 8:00 p.m. in the church basement.

Christmas Concert

On December 21st the 1st Drayton Valley Company participated in a Christmas concert. Before the concert began two of the Rangers, Louise Waddell and Bonnie McGaughy were officially enrolled as Rangers. Another two Rangers Frances Meraw and Valerie Willner received their World Pin for finishing their first class.

Rangers have been very busy making presents for the hospital and collecting used clothing for needy families.

Girls Make Candy House

A lovely candy house is on display in the Drayton Valley Municipal Hospital. The house, constructed of cookies, icing and candies, was made and donated by Leith Dean and Lynne Hurley to the hospital at Christmas.

The girls are to be commended for this thoughtfulness and fine efforts.

F.U.A. Supper

The F.U.A. will hold a pot luck supper on Thursday, January 12th at the Elks Hall. It will start at 6:00 p.m.

MOON LAKE

Donna Cherrington,
Correspondent.

The annual Christmas Party sponsored by Entwistle Lodge #374 of the B.P.O. Elks was held on December 18th. The hall was packed with youngsters, parents and honoured students.

Exalted Ruler Brother Don Gylander welcomed the gathering and extended yuletide greetings and wishes for prosperity in the coming year. Secretary Brother Field was called upon to get the program underway with the presentation of awards to Grade IX students from Entwistle and Evansburg. Thirteen students received awards. Miss Gale Bjornstad of Evansburg and Mr. John Priegert of Entwistle received plaques for the highest academic standing. Making the presentations were Brother Jensen, Brother Berry, Brother Brett, Brother Pehrsson, Brother Bjornstad and the Exalted Ruler.

After the presentations the singing trio from the O.O.R.P. with Brother Berry as M.C. entertained the crowd while a skit was being prepared. Seventeen Characters from the Fables was then ably introduced by Little Jack Horner (Brother Bjornstad). Santa arrived just in time to give everybody a treat and bring the afternoon to a happy ending.

Moon Lake's Christmas Concert was held on December 17. The children entertained by singing carols and reciting verses. Later Santa appeared with a jolly Ho Ho Ho to 97 children as he distributed candy bags and good wishes.

Mr. and Mrs. Fred Cherrington have flown to San Francisco for the Christmas holidays to visit their daughter and son-in-law Fay and Joe Gangle.

Marg and Tom Elwell and Tom's niece, Sonya, are visiting Marg's parents, Mr. and Mrs. Leo Burki for the holidays.

On December 29th, teenagers from surrounding communities gathered at Moon Lake hall to make Sonya feel at home. Sonya is originally from Norway and this is her first time in Canada. There was dancing, food and fun. Sonya was presented with gifts from her friends.

The Moon Lake Hall on New Year's Eve was full of families and friends as they danced, ate, had fun and waited to bring in the New Year with a bang.
